Augie,

Sounds good. We will coordinate the details upon my return.

Best regards,
Lorena

Event is taking place on Friday, July 1st from 5 to 10pm with a fireworks show scheduled at 9:20pm. The past few years we have had an attendance of over 20,000 people and we expect about 25,000 this year. The event takes place along the Port's promenade from Swinford to 5th Street and the bus parking lot within the cruise terminal. In the past the PBID has run a trolley between the event site (at Swinford and Harbor) thru downtown in order to circulate the folks and to allow them to park/dine in downtown and come to the event. And in the past we have had the Red Car (which is no longer in operation) running and filled to capacity throughout the night bringing folks in from POC and the southern end of town. This year we would like the PBID to run 2 trolleys from 5 to 11pm and the route will include the event site (at Harbor and Swinford), the 3 stops in DT San Pedro, CRAFTED (we're still looking into this), and POC Parking lot in a continuous loop. Let's discuss the details when you get back.....
